SINGLE COPIES, 5c.

Chicago, April 2nd 1888

To the Hon. Chairman, Secretary and
Executive Committee of the Brotherhood of Locomotive Engineers;

Gentlemen:

To you have no newspaper representation
in this city upon which you can rely, except that of The Chicago
Sunday World, and as we believe that a daily or even a
tri-weekly paper, presenting the Brotherhood and strike
side of the issue would be of the utmost value to your
cause, we are prepared to make the following liberal offer.

We will set 3 columns of strike matter per day
and 1 column of Editorial, bearing on same, print
"The Chicago Morning World," a 6 column folio
paper, 22 x 34 inches, ~~the~~ wrap and mail
1000 copies to addresses furnished by you, the
balance, if any, to be delivered at your
headquarters, for the sum of \$50.00 per issue,
not less than two issues to be taken by you
per week. Six issues per week will be furnished, if
desired, at the above rate.

The Sunday World will, of course, continue to represent the
Brotherhood side of the case, until the end of the strike.

Very Respectfully, R. O. Bennett, Manager.

DEAR SIR:

I RETURN HERewith LIST OF NEWSPAPERS, RECEIVED WITH YOURS OF 28TH ~~XX~~ ULT., AND HAVE HAD THE INFORMATION REQUESTED BY YOU SHOWN ON THE STATEMENT. ATTACHED TO LIST IS EXPLANATORY LETTER FROM H. C. ORR, G. S. W. P. A.

RECEIVED.

A. G. Dawes, Esq,

G.P. & T. A., St. Joseph, Mo.

Dear Sir,

Referring to the attached, making inquiry about Newspapers, the same was sent me from Chicago, as you will notice by the enclosed stamp that it was received in Chicago Oct. 18th, and was probably sent from your office by mistake.

The Papers marked O.K. is to signify that they are against the strikers and favorable to the road; those marked N. is to signify that they have little weight in either direction, and if anything are neutral, as I have not heard of any of them taking position of the strikers against our road. The only paper in Kansas City ~~was~~ that ~~was~~ ever championed the cause of the strikers, was the "Star", which was for a purpose and not from honest conviction; at present they are hearty supporters of the Burlington road. I am glad to say that I do not think there is a paper in Kansas City otherwise than friendly to us.

Yours Truly

Paul Morton, Esq.,

General Passenger-Agent,

Chicago, Burlington & Quincy Railroad.,

Dear Sir:-

We the undersigned commuters, residing at Naperville
feel that some expression is due from us to the Chicago,
Burlington & Quincy Railroad Company. While we sincerely
deplore the unfortunate condition into which all parties con-
cerned are placed by the strike, we cannot but admire the
manly course adopted by the road to relieve us from the incon-
veniences attending the present trouble, which we are willing
to accept under the circumstances.

We desire to thank you for your kind consideration
and untiring energies in our behalf.

I HAVE MADE A VERY CLOSE CANVASS OF THE BUSINESS MEN AND FIND
 THE ABOVE IS THE CONDITION I ARRIVE AT. MANY OF THE MERCHANTS WERE
 HEAVILY INVOLVED AT THE COMMENCEMENT OF THE STRIKE BY CREDITING THE
 STRIKERS AND IN ORDER TO COLLECT THEIR ACCOUNTS FELT IT WOULD BE BEST TO
 SYMPATHIZE WITH THEM TO HELP THEMSELVES, HENCE THE FALSE IMPRESSION HAS
 GONE ABROAD THAT THE MERCHANTS WERE BACKING THE STRIKE WHICH IS FULLY
 REALIZED NOW AS TO ITS EFFECT ON THE TOWN
 YOU WILL NOTICE SALOONS AND BARBERS ON A UNIT. THERE ARE 204 NAMES
 REPORTED IN THIS LIST OF WHICH THE FOLLOWING IS A RECAPITULATION.

SALOON KEEPERS VS. CO.	7
BARBERS VS. CO.	6
OF ALL OTHER BUSINESSES	29
TOTAL VS. CO.	42
NON COMMITTAL	3
FAVOR OF CO.	159
TOTAL	204

PAGE 4.

LEAVE OUT THE JUSTICES AND SALOONS WHICH REPRESENT NO RESPECTABLE PORTION OF THE CITY NOR COMMERCIAL STABILITY AND THEN INCLUDE THE BARBERS WITH THEM AND TAKING INTO CONSIDERATION THE K.O.F L. AND RELATIONS OF THE STRIKERS, I THINK IN THIS DIFFICULTY WE SHOULD FEEL CHEERFUL AT LEASE, ALL OF WHICH IS RESPECTFULLY SUBMITTED BY, BYRON CLARK.

Chicago, April 12th, 1888.

Mr. C. E. Perkins,

President,

Burlington, Iowa.

Dear Sir:-

Yours of the 11th inst., enclosing copy of communication from the business-men of Ottumwa is received.

I enclose you one which we have received from Osceola, which I answered in Mr. Stone's name yesterday as per copy of my letter attached herewith. I thought perhaps you might want to write to the Osceola people in addition to what I have told them.

I will see that the papers do not get hold of either of these petitions until you instruct me to do so.

Yours truly,

Paul Norton

Chicago, April 11th, 1888.

Messrs. J. H. Sherman,
W. W. Williams,
J. W. Hall, and others,
Osceola, Iowa.

Gentlemen:-

Your communication of the 4th inst., addressed to Mr. Perkins and myself, expressing the sympathy of your community for this Company in its present trouble, is received.

It is very gratifying to us to learn that the prominent citizens of Osceola and vicinity feel as they do.

The report that certain localities heretofore favored by the Railroad Company, have failed to give either us or our men proper protection, is, I am sorry to say, to a great extent true. We can do nothing at present however, in regard to moving our shops, or distributing our men along the line, and I am not able to say anything on the subject. We are fully posted in regard to the natural advantages that Osceola offers.

Reiterating our thanks, I remain,

Very truly yours,

Osceola, Iowa, April 4th 1888.

Chicago Burl & Quincy R.R Co

Chicago Illinois-

Gentlemen:-

At a meeting held by the citizens of Osceola and Clarke county at the Court House today, the committee whose names are signed to this letter was appointed to convey to the company the unanimous sentiment of the meeting. It was made plain in the meeting that the sympathies of this community are with the company and its new employees in the present condition of affairs. Inasmuch as it is reported that localities heretofore greatly favored by the railroad company have denied to the company protection to its property and to the persons of its employees, the committee was instructed to extend to the company and employees the hospitalities of this city, and to assure you that your property will have full protection within our jurisdiction, and to tender to your ~~employees~~ every accommodation and the best possible entertainment the city and the service on the road will admit.

We also take this opportunity to call your attention to the especial advantages offered by this locality for railroad purposes. We have here an inexhaustible supply of building stone, an abundance

of water from natural sources which has
been supplemented by sinking a well in
the city to the depth of nearly two thous-
and feet, affording an immense quantity
of water which is pronounced by chemists
to be perfectly pure. Any desired quan-
tity of level and beautiful land can be
procured as also any reasonable amount
of material aid. We invite your at-
tention to this subject, and believe it to
be deserving your earnest consideration
and thorough investigation.

Again assuring you of the hearty
good will of this county and city,
We remain,

Very Respectfully yours

C. E. Perkins Pres. C.R. & Q.R.P.Co.

Boston, Mass.,

Dear Sir:

Inclosed find copy of a resolution passed by the
Council of the City of Red Oak Junction, Iowa.

Very truly yours.

O. P. Worsley.

City Clerk.

RESOLUTION.

Whereas; We have learned and have reason to believe, that the property of the C. R. & Q. R. R. Co., has at various places, along its lines, been injured by force and violence, the same growing out of the strike on the system of the Company, and done by lawless persons, and that there is present danger of a repetition of the same.

Therefore: Be it resolved that we the city council of Red Oak Junction, Iowa, in regular meeting assembled denounce such acts of violence and any injury to the property of the said rail road Co., believing that all controversies between said company and its employe's can, and should be adjusted by peaceful and lawful means and it is the sense of this council, that all law abiding citizens should use all reasonable means to prevent the injury and destruction of property to advance the cause of those, thinking that thereby they may compel the injured to yield to their demands. And we instruct the police force of this city to see that all property belonging to said Company, within the city, is safely guarded and protected from such acts of violence.

Dated at Red Oak, Iowa, this 3rd day of April A.D. 1888.

Moved by I. W. Brown that these resolutions be adopted by the council and that the City Clerk be instructed to send a certified copy of the same to C. E. Perkins, President of the C. R. Q. Q. R. R. Co., at Boston. Motion seconded by W. C. Lockart.

On call of roll the councilman voted as follows:

Charles Kelly Aye. G. B. Brown Aye. J. M. McLean Aye

W. C. Lockart Aye. Joel Carey Aye. I. W. Brown Aye.

Whereupon: The resolution was declared adopted unanimously.

I, O. P. Worsley, city Clerk of the city of Red Oak Junction, Montgomery County, Iowa, do hereby certify that the above is a true copy of the proceedings had and done by the city council of the city of Red Oak, Junction, Montgomery County, Iowa at the regular meeting of said council, held on the 3rd day of April A.D. 1888.

Witness my hand and the seal of said city hereto attached.

Chicago Illinois.

Dear Sir;

Enclosed you will find an open letter, which explains its self. The preparation and signing of this letter was the work of a few hours. You will observe, that it is signed, first by the Hon. Mayor, all the Police force of the city, then follows, the constables, the sheriff and his deputies, the members of the city council, the board of supervisors, all the county and city officials, the county attorney and local District Judge. Only a few of our business men signed, for the reason that it was not presented to all, for want of time. Not one upon whom we called refused- all were anxious to sign. I feel confident that every business ~~man~~ *man*, and nine-tenths of our citizens would have signed, had we had the time to call upon them- in fact it is unanimous- it is but the voice of all our people.

Very truly yours,

J. M. Junkin

To C.E. Perkins,
President C.B. & C.R.R. Co.
Chicago Illinois.

Dear Sir;

We the undersigned, citizens and officers of Red Oak, Iowa, have heard, with regret, of the action on the part of the citizens and officers, of Creston, Iowa, in refusing to assist in the protection of the property of the Company, from injury and destruction, by lawless persons, at that place, and to assist the company in resuming its general traffic business, which is of such vital importance to the business interests and general welfare of the public. We take this opportunity of expressing our disapproval of such action, on the part of the people of Creston, and offer all possible assistance to the company, at this place, to prevent any interference, by violence, with its property and business. We fully recognize the right of the company and its employe's to adjust any difficulties that may arise between them, by peaceful and lawful means, but deprecate the use of all unlawful and force and violence, used by either, to compel the other to yield to the demands made, and are willing to do all in our power to prevent the same. We feel that your interests at this place will receive all the protection, which a law abiding community can afford, and should you in the future see fit to increase your interests and property at Red Oak, our people and officers stand willing and ready to aid in protecting and defending the same.
